NONE AVAILABLE, Temple Hills, MD

An exceptional opportunity awaits at this one-of-a-kind property: nestled on 4+ acres in sought-after Prince Georgeâ€™s County, this expansive estate features a large historic main residence and two income-generating rental units, offering flexibility, space and value unlike many others in the market.

Investor friendly: With the rental units already in place, this property may generate income from day one.

Step up to a stately colonial-style home set dramatically on four wooded acres. Imagine a sweeping driveway opening into serene grounds, mature trees providing privacy and a setting far removed from the everyday hustle. The main entrance welcomes you into thoughtful interior spaces, formal living and dining rooms, a well-sized kitchen (with island and pantry), and comfortable bedroom, awaiting your personal touches to restore and enhance. Outside, the rental unit building offers two completely separate one-bedroom apartments, ideal for rental income, multigenerational living, or housing guests while you transform the main residence.

While the property needs work and is offered as-is, the canvas is large and the stage is set: this is not simply another houseâ€™itâ€™s a rare estate with multiple income strategies, land to dream on, and a location that hits the sweet spot between privacy and accessibility.
